Avi is an accountant by profession and is the founder of AccounTrust. His firm specializes in estate accounts preparation in Ontario court-passing format as well as various estate and trust tax related matters.

Avi's expertise in the area of estate and trust accounting consists of experience in dealing with, and serving, fiduciaries in all capacities including, trustees, executors, attorneys under a Power of Attorney and guardians. Avi's clients include individuals, financial planners and advisors, trust companies and law firms. In addition, he advises estate and trust litigators and mediators in connection with trustee disputes, powers of attorney and guardianship disputes.

Avi lectured and co-presented papers on estate and trust accounting, and estate and trust administration, for the Law Society of Upper Canada, the Ontario Bar Association, the Institute of Law Clerks of Ontario and the Institute of Advanced Financial Planners.
